

# The Mariners Voice

November 2007

Issue 2

It's time for another addition of *The Mariners Voice*.

Please don't forget that this is a newsletter for Shields Supporters, written by Shields supporters.....  
.....and that means **YOU!**

The Mariners Voice needs contributions from you. If you have anything to say, anything you wish to share, anything you find amusing or even just interesting then send it by email to [m.viney@smartbuildsolutions.co.uk](mailto:m.viney@smartbuildsolutions.co.uk) or pass it to Mick Viney on match days.

This Month I'd like to thank Phil Reay who's agreed to write a monthly piece from the corridors of power, on behalf of the committee and Gary Steadman for a monthly piece from the team management and coaching perspective.

This gives club and team management an opportunity to speak directly to the supporters. No Chinese whispers or misquoted stories from rumour control. Their thoughts, their words.

## Away Travel

Do you drive to away matches and have spare seats?  
Are you willing to take another supporter to some away games?

Would you attend away games but have trouble getting there?

To maximize our support at away games we are compiling a list of supporters who both need and have transport. If you fit in either category please complete the following and return it to Mick Viney on match days.

## Supporters Association

Don't forget that the next meeting of the South Shields FC Supporters Association is to be held on the **10<sup>th</sup> November** immediately after the Marske game.

The purpose of this meeting is for the relevant volunteers to bring us all up to date with progress so far and if a bank account is in place to remove a crisp £5.00 note from your wallets.

We also need to decide on a legal structure for the association and upon its rules and constitution

Hopefully this meeting will be the last "talking shop" type meeting and any future meetings will be more directed to the aims and ambitions of the association and much less to it's own formation.
